Recommendation Letter

To Whom It May Concern:

It is my pleasure to recommend Sergey Drozdov, his performance working as a web programmer for RGM Distribution Inc. proved that he will be a valuable addition to any company.

Sergey worked for me on various projects in .NET and SQL Server technologies and distinguished himself as a hard worker who is willing to go the extra mile to get the task done. If his performance in our company is a good indication of how he would perform in yours, he would be an extremely positive asset to your program.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours Sincerely,

Steven Grebenyuk
